1. This table includes Federal Write-in Absentee Ballots (FWABs) received by the local boards of elections but does **not** include absentee ballots that were undeliverable to the voter and returned to the local board of elections.

2. For the 2010 elections, Maryland automatically provided absentee ballots to military and overseas voters who requested an absentee ballot for the 2008 elections. Although the federal law requiring this was repealed, Maryland honored the 2008 requests as two-election cycle requests.
