Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

Question 2
Commercial Gaming Expansion
Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

- For the Referred Law
- Against the Referred Law

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

- For Council to Set Dates
- Against Council to Set Dates

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

- For Three-Year Term
- Against Three-Year Term

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

State of Maryland, Howard County

November 3, 2020

Official Ballot
Presidential General Election
**Question 1**
**Constitutional Amendment**
*(Ch. 645 of the 2020 Legislative Session)*

State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

- **For the Constitutional Amendment**
- **Against the Constitutional Amendment**

**Question 2**
**Commercial Gaming Expansion Referendum**
*(Ch. 492 of the 2020 Legislative Session)*

Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

- **For the Referred Law**
- **Against the Referred Law**

**Question A**
**Charter Amendment Redistricting Dates**

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

- **For Council to Set Dates**
- **Against Council to Set Dates**

**Question B**
**Charter Amendment Citizen Board Term**

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

- **For Three-Year Term**
- **Against Three-Year Term**

**Question C**
**Charter Amendment County Employment Discrimination**

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question A
Charter Amendment
Redistricting Dates

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process

The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)
- For the Constitutional Amendment
- Against the Constitutional Amendment

Question 2
Commercial Gaming Expansion
Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?
- For the Referred Law
- Against the Referred Law

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

- For Council to Set Dates
- Against Council to Set Dates

Question B
Charter Amendment
Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

- For Three-Year Term
- Against Three-Year Term

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person’s disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person’s political or religious opinions or associations or race.

Question A  
Charter Amendment  
Redistricting Dates  
Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

Charter Amendment  
County Employment Discrimination  
Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process
The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.
(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)
- For the Constitutional Amendment
- Against the Constitutional Amendment

Question 2
Commercial Gaming Expansion Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering
Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?
- For the Referred Law
- Against the Referred Law

Question A
Charter Amendment
Redistricting Dates
Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.
- For Council to Set Dates
- Against Council to Set Dates

Question B
Charter Amendment
Citizen Board Term
Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.
- For Three-Year Term
- Against Three-Year Term

Question C
Charter Amendment
County Employment Discrimination
Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process
The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

☐ For the Constitutional Amendment
☐ Against the Constitutional Amendment

Question 2
Commercial Gaming Expansion Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering
Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

☐ For the Referred Law
☐ Against the Referred Law

Question A
Charter Amendment
Redistricting Dates
Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

☐ For Council to Set Dates
☐ Against Council to Set Dates

Question B
Charter Amendment
Citizen Board Term
Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

☐ For Three-Year Term
☐ Against Three-Year Term

Question C
Charter Amendment
County Employment Discrimination
Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

☐ For New Discrimination Protections
☐ Against New Discrimination Protections

Question 1
Constitutional Amendment
(Ch. 645 of the 2020 Legislative Session)
State Budget Process
The proposed amendment authorizes the General Assembly, in enacting a balanced budget bill for fiscal year 2024 and each fiscal year thereafter, to increase, diminish, or add items, provided that the General Assembly may not exceed the total proposed budget as submitted by the Governor.

(Amending Article II Section 17 and Article III Sections 14 and 52 of the Maryland Constitution)

☑ For the Referred Law
☑ Against the Referred Law

Question A
Charter Amendment
Redistricting Dates
Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

☑ For Council to Set Dates

--- | --- |
Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

- For Council to Set Dates
- Against Council to Set Dates

| Question B | Charter Amendment
Citizen Board Term |
--- | --- |
Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

- For Three-Year Term
- Against Three-Year Term

| Question C | Charter Amendment
County Employment Discrimination |
--- | --- |
Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person's disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person's political or religious opinions or associations or race.

Question 2
Commercial Gaming Expansion Referendum
(Ch. 492 of the 2020 Legislative Session)
Expansion of Commercial Gaming - Sports and Event Wagering

Do you approve the expansion of commercial gaming in the State of Maryland to authorize sports and events betting for the primary purpose of raising revenue for education?

- For the Referred Law
- Against the Referred Law

Question A
Charter Amendment
Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. After each official count of everyone who lives in the County, the Council would quickly form a redistricting commission and set dates for the commission to submit a plan for new Council district borders, and for the plan to become law if the Council does not adopt a different plan. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.

Question B
Charter Amendment
 Citizen Board Term

Changing the Howard County Charter to shorten the term a resident would serve as a member on most County boards from five years to three years.

- For Three-Year Term

Question C
Charter Amendment
County Employment Discrimination

Changing the Howard County Charter to prohibit employment discrimination by Howard County based on a person’s disability, color, national origin, immigration status, age, occupation, marital status, sexual orientation, gender identity or expression, family status, or personal appearance. The prohibition would no longer include the word sex and the County could still not make an employment decision based on a person’s political or religious opinions or associations or race.

### Question A
**Charter Amendment**

Redistricting Dates

Changing the Howard County Charter to allow the County Council to set dates for drawing new Council district borders. The dates for these actions are now set by the County Charter, which uses an outdated State election schedule.
