Question 1
Constitutional Amendment
(Ch. 245 of the 2023 Legislative Session)
Declaration of Rights - Right to
Reproductive Freedom

The proposed amendment confirms an individual's fundamental right to reproductive freedom, including but not limited to the ability to make and effectuate decisions to prevent, continue, or end the individual's pregnancy, and provides the State may not, directly or indirectly, deny, burden, or abridge, the right unless justified by a compelling State interest achieved by the least restrictive means.

Question A
Charter Amendment
Allowing Extension of Temporary Increase
of One Cent per One Hundred Dollars of
Assessed Value for an Additional Seven
Fiscal Years

Section 614 of the Talbot County Charter establishes a cap on the amount of revenue the County can derive from taxes levied on real estate. The cap on revenue is two percent (2%) compared to the previous year, or Consumer Price Index-Urban (CPI-U), whichever is less. Talbot County's revenue cap is one of the most restrictive in the State of Maryland, making it extremely difficult for the County to raise sufficient revenue to fund certain initiatives, including key public safety projects. At the November 3, 2020, general election, the voters approved an amendment to § 614 giving the County Council authority to increase revenues above the revenue cap, with a limit of up to one cent (1¢) per one hundred dollars (\$100.00) of assessed value for five (5) fiscal years, beginning July 1, 2021, and ending June 30, 2026. The Charter Amendment would extend the County Council's authority to raise revenues above the revenue cap as aforesaid for an additional seven (7) fiscal years, beginning July 1, 2026, and ending June 30, 2033.

Section 614 of the Talbot County Charter establishes a cap on the amount of revenue the County can derive from taxes levied on real estate. The cap on revenue is two percent (2%) compared to the previous year, or Consumer Price Index-Urban (CPI-U), whichever is less. Talbot County's revenue cap is one of the most restrictive in the State of Maryland, making it extremely difficult for the County to raise sufficient revenue to fund certain initiatives, including key public safety projects. At the November 3, 2020, general election, the voters approved an amendment to § 614 giving the County Council authority to increase revenues above the revenue cap, with a limit of up to one cent (1¢) per one hundred dollars (\$100.00) of assessed value for five (5) fiscal years, beginning July 1, 2021, and ending June 30, 2026. The Charter Amendment would extend the County Council's authority to raise revenues above the revenue cap as aforesaid for an additional seven (7) fiscal years, beginning July 1, 2026, and ending June 30, 2033.

Question A
Charter Amendment
Allowing Extension of Temporary Increase
of One Cent per One Hundred Dollars of
Assessed Value for an Additional Seven
Fiscal Years

Section 614 of the Talbot County Charter establishes a cap on the amount of revenue the County can derive from taxes levied on real estate. The cap on revenue is two percent (2%) compared to the previous year, or Consumer Price Index-Urban (CPI-U), whichever is less. Talbot County's revenue cap is one of the most restrictive in the State of Maryland, making it extremely difficult for the County to raise sufficient revenue to fund certain initiatives, including key public safety projects. At the November 3, 2020, general election, the voters approved an amendment to § 614 giving the County Council authority to increase revenues above the revenue cap, with a limit of up to one cent (1¢) per one hundred dollars (\$100.00) of assessed value for five (5) fiscal years, beginning July 1, 2021, and ending June 30, 2026. The Charter Amendment would extend the County Council's authority to raise revenues above the revenue cap as aforesaid for an additional seven (7) fiscal years, beginning July 1, 2026, and ending June 30, 2033.
