## Maryland State Board of Elections Reminds Marylanders of Voter Registration Options for Primary Election

*Eligible Marylanders Can Still Register In-Person During Early Voting and on Election Day*

**ANNAPOLIS, MD (April 24, 2024)** – The Maryland State Board of Elections (SBE) reminds eligible Marylanders that they can still register to vote in the 2024 primary election. To maximize voter registration, SBE this week is mailing postcards to approximately 750,000 Marylanders who are not registered to inform them they can still register and vote during early voting and on election day.

“Registering to vote is the critical first step to ensuring your voice is heard in this year’s primary election,” said State Administrator Jared DeMarinis. “We encourage every eligible Marylander to find their local early voting center or polling place and bring the necessary documentation to register and exercise their right to vote.”

### **Two Options for Voter Registration**

**In-Person Early Voting:** Marylanders can register to vote during in-person early voting, which begins Thursday, May 2, 2024, and ends Thursday, May 9, 2024.
